STATINTL

Dear [REDACTED]

Your proposals, called to my attention in your letter of 23 July 1965, have been thoroughly considered. We do have functional interest in certain portions but already have some work in progress.

We will, however, again restudy this matter in connection with our periodic review of work underway and may at that time suggest that you do prepare the study you so graciously offered to prepare for us.

STATINTL

Sincerely,

[REDACTED]

Albert D. Wheelon
Deputy Director
